io_uring - excitement - looking for feedback & potential issues

Wednesday, 11 September 2019 10:05 (15 minutes)

many devs are excited about the progress reported on this new stuff, but is it followed / considered by kernel devs.? what kind of gain to expect? any potential issues or feedback to share?

I agree to abide by the anti-harassment policy

Yes

I confirm that I am already registered for LPC 2019
