Live patch services

Wednesday, 11 September 2019 18:15 (15 minutes)

Discussion about current live patch services and how we can make it more open and flexible.
How we can make more open source distributions use or make their own live patch services.
What we are still missing? and what we can share?

I agree to abide by the anti-harassment policy

Yes

I confirm that I am already registered for LPC 2019
